HORLACH CREEK • MOUNTAIN LAKES

## Horlach Creek

The centrepiece, 200 m from the house.

Experience this mountain creek from its mouth at 1,000 m to the headwaters at approx. 2,200 m – an interesting fishing area for brown trout and char.

15 km of white water in the most beautiful surroundings, without melt water impact!

## Lake Gruesee at 2,500 m Mountain Lakes

Sportive and exciting fly fishing!  
Situating at 2,500 m, these lakes can only be reached on foot. Unique fishing experience with a breathtaking panorama. Beautifully marked char, lake trout and brown trout are the reward for the arduous ascent.
