HORLACHBACH

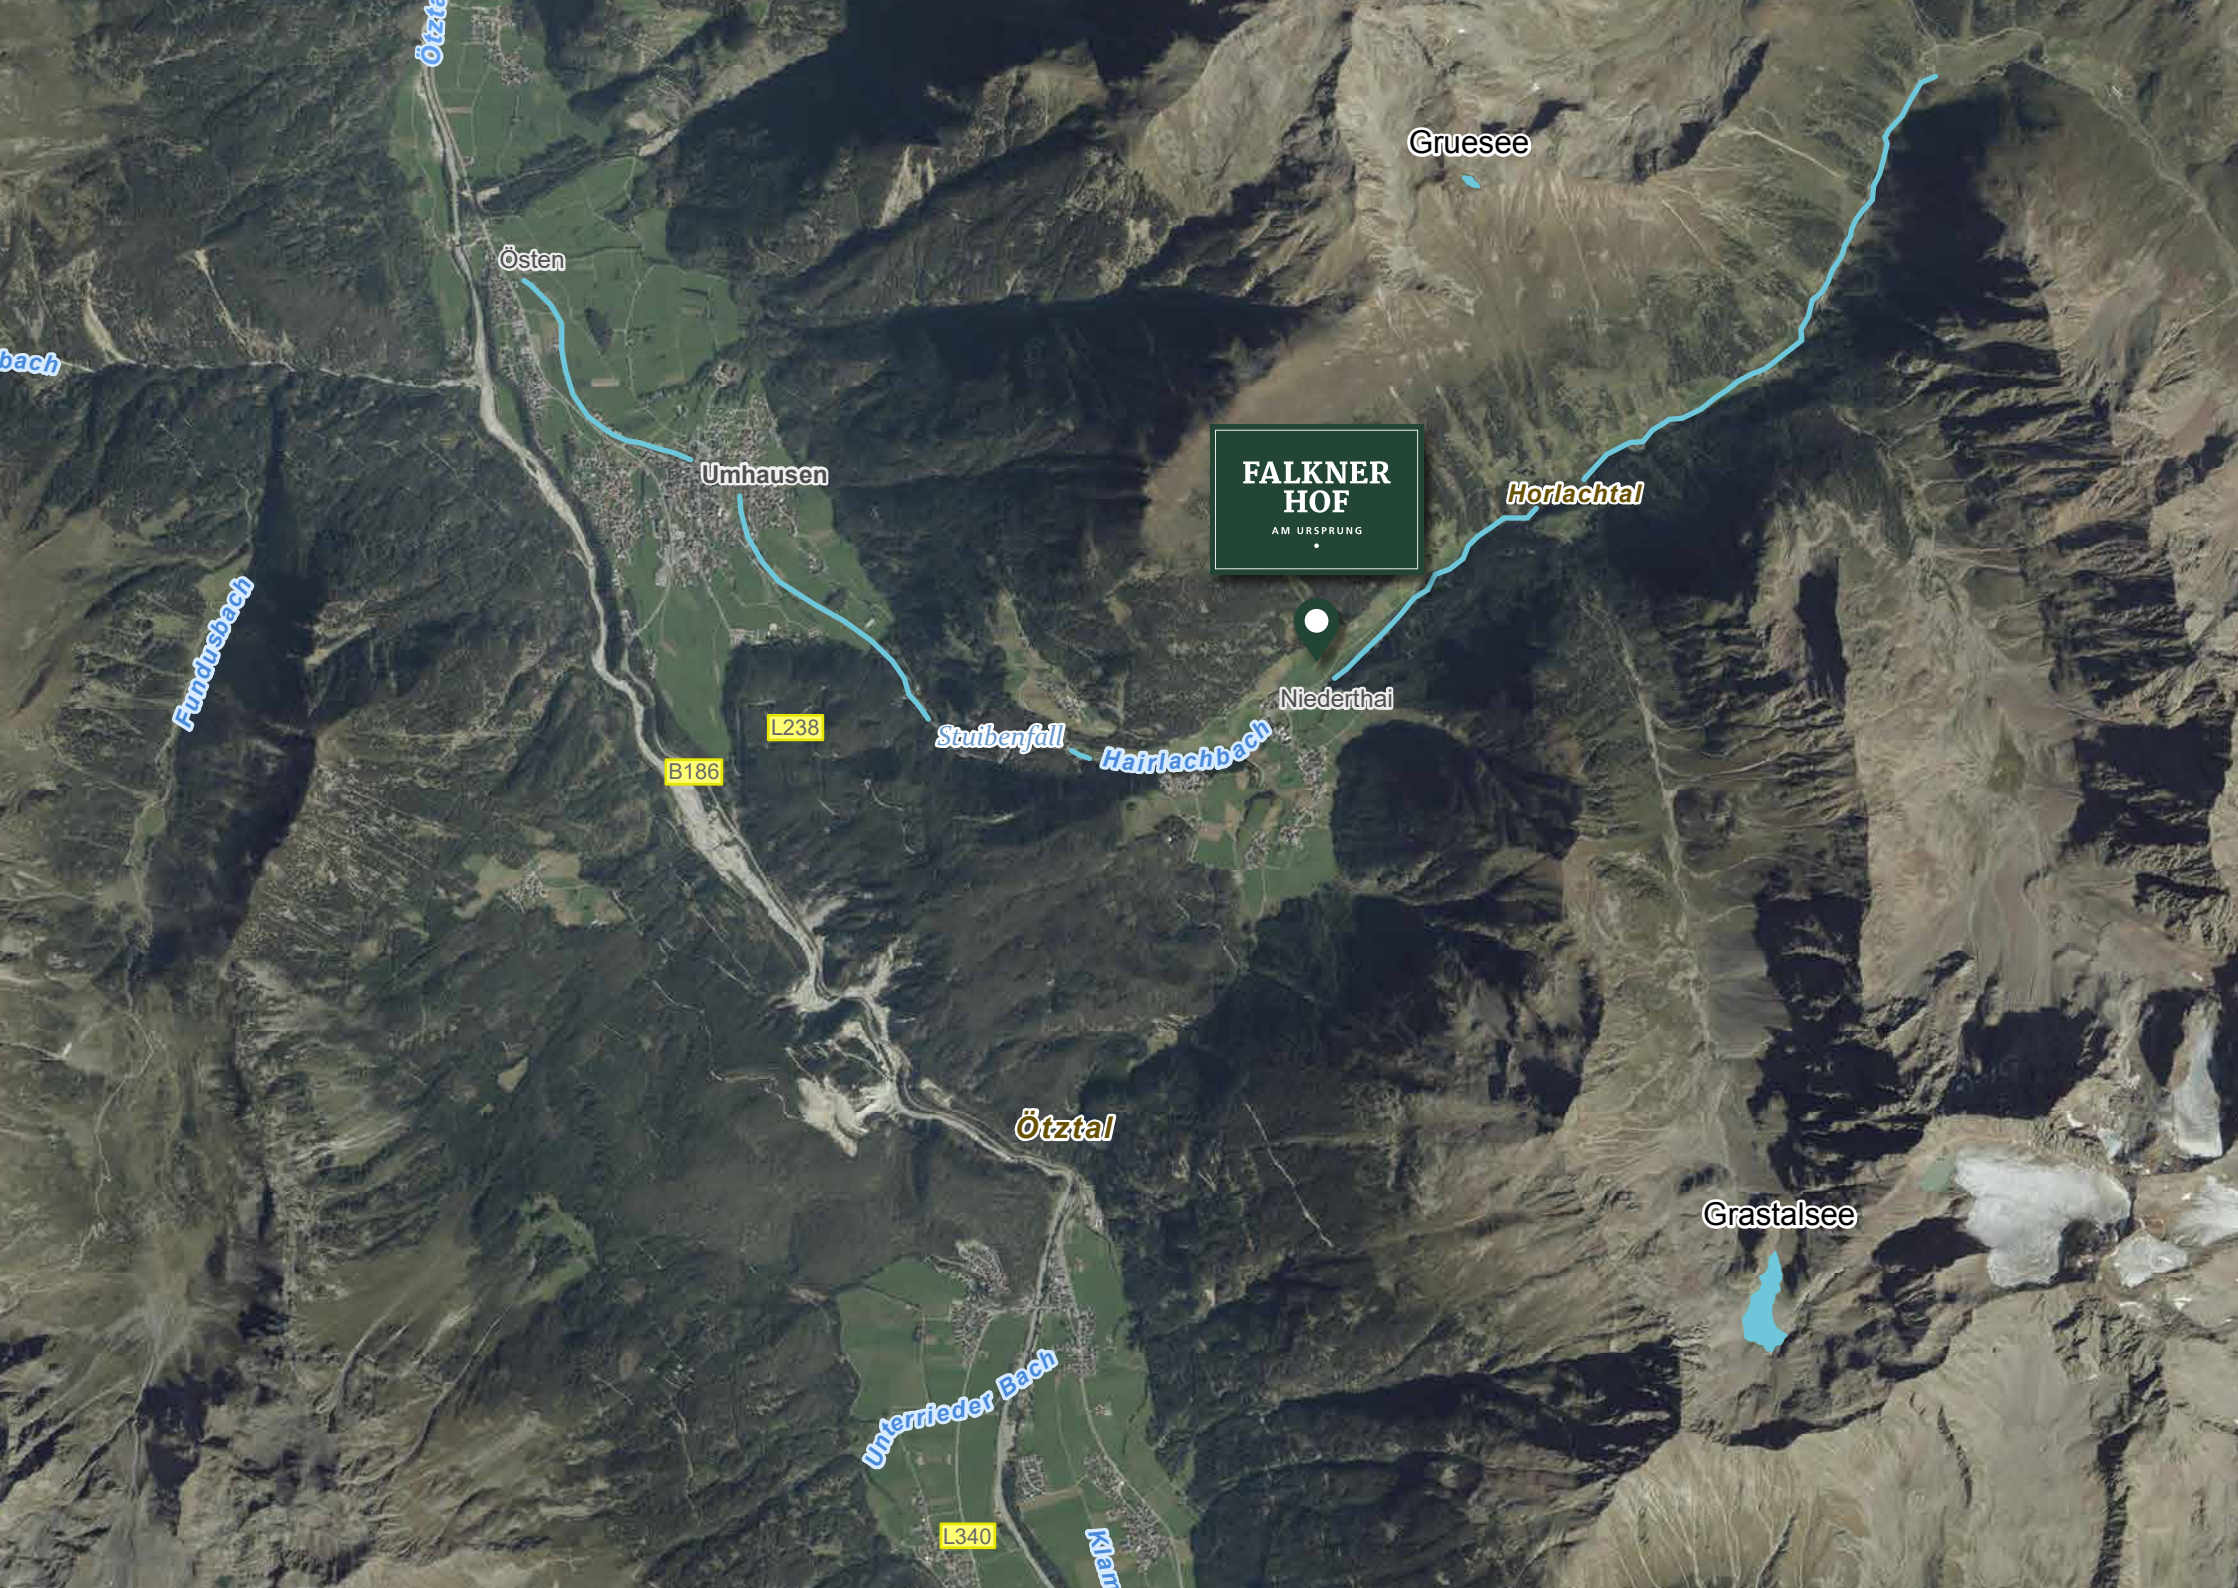

The centrepiece, located 200 m from the house. Experience interesting fishing for brown trout and char in this mountain stream from its mouth at 1,000 m to its source at approx. 2,200 m. 15 km of white water in the most beautiful surroundings, without the influence of meltwater! The Horlachbach is a beautiful mountain stream that!

GRUESEE & GRASTALSEE

Sporty and exciting fly fishing! Located at 2,500 metres above sea level, these lakes can only be reached on foot. A unique fishing spot with a breathtaking panorama. Beautifully marked char, lake trout and brown trout are the reward for the arduous climb.
